THE BYWARD GATE, TOWER of LONDON.

LL7185

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE

By Appointment

The Byward Gate and Tower form the south western extremity of the outer line of fortifications of the Tower of London. It is the great Gatehouse to the Outer Ward and is partly the work of Henry III. and partly of Richard II. Visitors should notice the vaulting and recesses on its southern side, a remarkable feature of this tower.

(For Address Only.)

Processed in Havana.
